Philanthropist and model [Sam Tannehill](#) looks super-chic in a mix of higher-end and less expensive items. Print silk dress by Zara and a trench from Zara are dressed up with Christian Louboutin heels, a Fendi bag, and a limited-edition [Carol Taylor necklace](#) (inset) worn as a bracelet. Asked to describe her look, she says "I was trying to be sophisticated chic, and a bit sexy with these heels. I only splurge on accessories."
